Deadline for manuscript  
submissions:

**28 May 2021**

### Message from the Guest Editor

The special issue entitled Advancements in Probabilistic Safety Assessment of Nuclear Energy for Sustainability aims to introduce and share the potential enabling methodologies to make breakthroughs for PSA. The issue provides a good opportunity to intensively deal with challenging areas of developments and share them with worldwide distinguished experts. We are trying to pioneer upcoming potentials of the PSA such that nuclear energy can contribute to mankind in a clean and green manner.

- Probabilistic Safety Assessment
- Nuclear Safety
- Epistemic and Aleatory Uncertainties
- Defense-in-Depth

### Prof. Dr. Enrico Sciubba

Room 32, Department of  
Mechanical and Aerospace  
Engineering, University of Roma  
Sapienza, Via Eudossiana 18,  
00184 Roma, Italy

## Message from the Editor-in-Chief

*Energies* is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

## Author Benefits

**Open Access:**—free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed by the Science Citation Index Expanded (Web of Science), Ei Compendex, Scopus and other databases.

**CiteScore** (2019 Scopus data): 3.8; ranked 19/101 (Q2) in "Control and Optimization", 62/216 (Q2) in "Energy Engineering and Power Technology", 208/670 (Q2) in "Electrical and Electronic Engineering", 33/98 (Q2) in "Fuel Technology", 9/23 (Q2) in "Energy (miscellaneous)", and 72/179 (Q2) in "Renewable Energy, Sustainability and the Environment".

## **Additional Submission Guidelines**

### ***Energies***

### **Special Issue "Advancements in Probabilistic Safety Assessment of Nuclear Energy for Sustainability"**

#### **Official Website:**

[https://www.mdpi.com/journal/energies/special\\_issues/Safety\\_Nuclear\\_Energy](https://www.mdpi.com/journal/energies/special_issues/Safety_Nuclear_Energy)

#### **Abstracts:**

30 October 2020 (Title, Authors (Affiliations), Summary within 250 words)

Send abstracts to the guest editor (Prof. Gyunyoung Heo, [gheo@khu.ac.kr](mailto:gheo@khu.ac.kr)) or Use the official website for abstract submission.

#### **Full manuscripts:**

31 December 2020

Use the official website for full manuscripts.

#### **General Information on MDPI's Article Processing Charges (APC)**

<https://www.mdpi.com/apc>

The official deadline for manuscript submissions will be on 28 May 2021. However, the due dates above are preferred for faster batch processing.
